

Washington — (NA) — Coming congressional election results probably depend on a great deal on the status of the Korean war and the home front cost of living situation in the week before voting day, Nov. 7. Just as all the polls missed in 1948 because they didn't measure the last week shift in sentiment, so the returns this year could be changed by last minute developments.

Faced with this situation, anyone daring to make a 1950 political prediction is leading with his chin. But there is one soul who is that bold. He is Louis H. Bean, Department of Agriculture economist and statistician, whose hobby is the study of election trends. His new book, "The Mid-Term Battle," just published, tells how to predict the 1950 elections.

In 1948, Louis Bean's book on "How to Predict Elections" accurately forecast trends toward President Truman's victory and an increase in the Democratic congressional strength. In summary, his new book predicts:

House — Democratic loss of 25 to 30 seats, but not enough to give Republicans control. (Democrats now have a 90 vote majority.) Senate — Democratic loss of three or four seats, but not enough to give GOP control. (Democrats now have a 14 vote majority.)

Beans makes this prediction with the qualification: "Assuming no sharp let-down in business activity, material change in our international relations."

As a matter of fact, Bean made his prediction and his book was in type before the Korean war broke out. This first edition was recalled and a new edition was prepared.

Korean War's Possible Effect

In it, author Bean makes this analysis of the Korean war's effect on the vote and the election outcome:

1. The war can alter the political balance, but not as much as is generally assumed.

2. The real significance of the war as a political factor is that it may divert public attention so much that many voters will stay away from the polls. Bean believes this would work to the advantage of the Republicans rather than the Democrats.

3. The rise in industrial production due to the war boom offsets much of the past year's dissatisfaction over business slump and serious unemployment. This is taken to be an advantage for the Democrats.

4. The Korean war has reversed the downward trend of farm prices. Bean says this should stabilize the political balance in the farm belt, where the Democrats made big gains in 1948.

5. Increased food costs and general price inflation will work to the advantage of the Republicans by increasing dissatisfaction among lower-income city consumers a majority of whom have been voting the Democratic ticket in recent years.

6. Popular support for President Truman's stand on the Korean crisis has cut down isolationist sentiment, thus reducing the standing of some isolationist senators and congressmen.

7. Mr. Bean doubts the generally held belief that a war rallies voters to support the President as commander-in-chief. It didn't work that way in 1942, when the Republicans almost took over because the Democratic vote was off 11 million and the Republican vote was off seven million.

Domestic Factors Important Also

Adding up all these factors, there is a balance of wartime forces influencing the election outcome. Republicans stand to gain if the war situation is bad just before election, if the vote is small, if consumer prices are high and inflation is bad. Democrats stand to gain if there is a victory in Korea, if industrial and farm production and prices are high, if unemployment is low.

The principal domestic factors influencing this year's election are the Republican charges of communism in government and the effect of President Truman's personal campaigning — if he campaigns.

As for the more general non-war factors influencing the 1950 elections, Bean bases his prediction on charts and statistics which he says prove a pro-Democratic trend. He says, "The record shows that the 1946 Republican victory marked the end of the decline in the Democratic or New Deal tide and, consequently, the end of the rise in Republican fortunes."

Canada Still Crippled by Rail Strike

Ottawa, Aug. 28 — (P) — Transport-crippled Canada remained today in the grip of a rail strike that threatened to last at least another three days, following the weekend collapse of negotiations. The government made it clear it plans no further steps until it brings in emergency legislation to end the week-old strike at a special session of parliament called for Tuesday.

This announcement was made after Prime Minister Louis St. Laurent received a personal report from union heads on breakdown of negotiations with the companies Saturday night.

There are 19 state forests, containing a total of 43,288 acres, in the state of Vermont.

Formosa Key to War in East Says MacArthur

Chicago, Aug. 28 — (P) — Gen. MacArthur said today "we may have peace" by holding a Pacific island defense line — including Formosa — but "lose it and war is inevitable."

MacArthur gave great military importance to Formosa, last major stronghold of Chinese Nationalist forces, in a cable message to the Veterans of Foreign Wars, which was withdrawn at the personal direction of the President.

The United States has no armed forces on Formosa, but the U. S. Seventh fleet has been patrolling the Formosa Strait to prevent an often-threatened attack by Chinese Communists.

MacArthur said that the President's June 27th order to carry out this patrol "marked for the Far East the focal and turning point in this area struggle for freedom. It swept aside in one great monumental stroke all of the hypocrisy and the sophistry which has confused and deluded so many people distant from the actual scene."

The commander in chief of the United Nations forces fighting in Korea described a "natural" defense line of islands in the Pacific.

From this line, MacArthur said, "We can dominate with air power every Asiatic port from Vladivostok to Singapore."

He indicated Formosa was a key spot in this defense line and said "historically, Formosa has been used as a springboard" for military aggression directed against areas to the south.

MacArthur said Formosa, if held by the enemy, "could be compared to an unsinkable air-base carrier and submarine tender ideally located."

The general declared that should Formosa fall, it "would constitute an enemy salient in the very center of this defense perimeter."

"Its military potential would again be fully exploited as the means to breach and neutralize our western Pacific defense system and mount a war of conquest against the free nations of the Pacific basin."

The general said he was voicing his views on Formosa "in view of misconceptions currently being voiced concerning the relationship of Formosa to our strategic potential in the Pacific."

Local Club Leaders to State Meet

Thirty Home Demonstration members left today by chartered bus, for Fayetteville where they will attend the 22nd annual meeting of the Arkansas Council of Home Demonstration Clubs.

The program built around the theme, "Family Responsibility in 'Today's World'" has many values to offer rural people in educational, inspirational, cultural, and recreational opportunities.

High lights of the program will be an address, "Our Responsibility to World Affairs," by Stanley Andrews, Chief, Foreign Agricultural Organization, an illustrated lecture on "Views of other Countries" by Dr. Lippert Ellis, Dean, College of Agriculture, and an International Tea and Paganat "One World."

The Girls 4-H Cooperative House, being built by the Home Demonstration Clubs of the State, will be dedicated Wednesday afternoon, August 30, along with a memorial service for the late Miss Connie J. Bonnel, who was State Home Demonstration Agent from 1917 until her recent death.

Following the State Meeting Wednesday, the Hempstead County group will continue their tour of North Arkansas spending Wednesday night at Eureka Springs. Thursday the group will go to Lake Norfork at Mountain Home and Bull Shoals Dam at Cotter, returning to Harrison for the night. Friday the group will stop in Little Rock where they will visit the State Capitol Building, MacArthur Park and Museum, and other points of interest. The group, accompanied by Lorraine Blackwood, Home Demonstration Agent, will return to Hope Friday afternoon, September 1.

The Byrd Little America stamps were the smallest sheets of commemorative stamps ever issued by the U. S. postoffice department.

13-Day Old Packard Strike Settled

Detroit, Aug. 28 — (P) — The 13-day-old strike of 8,000 Packard workers was settled early today with agreement of a five-year contract and a four cents hourly annual wage increase.

In addition, there will be an immediate cost of living raise of five cents.

Packard and the CIO United Auto Workers union jointly announced the settlement after nearly a week-long negotiations which lasted to 3 a. m. (CST).

Packard workers are expected to return to the job Wednesday.

The settlement also provides for \$125 monthly pensions (including social security), an expanded insurance program, and other benefits.

A management statement said it was "one of the most liberal and progressive agreements ever signed."

Truman Orders Mac's Message Withdrawn

Washington, Aug. 28 — (P) — The White House said today that President Truman directed Gen. Douglas MacArthur to withdraw a statement on Formosa "to avoid confusion as to the United States position."

MacArthur had sent a statement of his views saying Formosa must remain in friendly hands.

The statement said Formosa was to the Veterans of Foreign Wars encampment at Chicago. Later, he withdrew the statement.

President's Secretary Charles G. Ross confirmed today what had been rumored — that Mr. Truman himself ordered the withdrawal.

Ross told reporters: "In order to avoid confusion as to the U. S. position with respect to Formosa, the President directed that the statement prepared by

Anti-Inflation Deadlock May Be Compromised

Washington, Aug. 28 — (P) — Senators and house members seeking to break a deadlock over anti-inflation legislation joined today in predicting a solution.

The disputed issue is whether to give President Truman an almost free hand to invoke wage-price controls at any time.

A home front mobilization bill passed by the house would grant the President virtually full discretion to impose controls on a selective basis ahead of any general program.

But the measure the senate approved would require Mr. Truman to put wage and price curbs into effect at the same time and all along the line if he invoked them at all.

A senate-house conference committee will try again tomorrow to reconcile that big difference between the two bills. The group deadlocked over the issue at a meeting last Friday.

After that session, Senator Maybank (D-SC) said he tried without success to get a majority of the other senate conferees to accept the house version, which reportedly would be acceptable to the President. The house conferees have refused to give up their position.

Maybank said then that unless the deadlock could be resolved tomorrow he would move to strike from the legislation all authority for wage-price controlling controls. He suggested handling those controls later in a separate bill.

The purpose would be to avoid further delay in enactment of other controls for which Mr. Truman asked congress on July 19. Those include credit curbs, rationing of scarce industrial materials, and power to take over privately owned plants if necessary.

Mr. Truman did not seek wage-price rationing authority because, he said, there is no need for such

Mena Cuts Off Water Service to Schools

Mena, Aug. 28 (P) — Public schools of Mena may begin fall classes next week but without city water facilities.

The city's water and sewer commission has cut off water to the schools because, a spokesman said the Mena board of education has failed to pay water and sewer bills.

Commission Chairman Harry Lyle said the schools' now owe \$1,783.72 for water and sewer services. He said the bills have been piling up for years.

School board Chairman Edward W. Watkins said the schools now are operating on a limited budget and have no funds for expenditures other than those covered in the budget. Apparently the budget does not cover water services.

Watkins said water and sewer facilities previously have been furnished without charge.

Lyle said a city ordinance passed in 1946 eliminated free water services to the schools.

A meeting of the schools board is scheduled Tuesday night to discuss the situation.

Famous Russia Ballet to Perform Here

The Community Concerts organization is bringing to Hope a series of concerts comparable to those presented in Little Rock and many of our larger cities.

The quality of the artists selected is determined by the amount of money obtained from the sale of tickets in the spring. In order to know of outstanding program some of the business men of Hope have underwritten the large cost of securing these artists. Therefore an exception of normal procedure is being made by extending the role of tickets for a few weeks thus enabling those who did not purchase season tickets to do so now.

The outstanding program will be Slawenska and her Ballet Variante. This Ballet troupe is appearing in many of the leading cities throughout the United States. Appearing with the Ballet will be a duo-piano team which will accompany the Ballet and also be featured through out the evening in unusual and brilliant selections.

One season ticket purchased pianists will be February the 8th. The date for the Ballet and duobright selections.

The series will have for its opening program, Alice Howland Nrezzo Soprano. The New York Herald Tribune wrote of her "She is perfect — she has everything" Miss Howland will appear in October.

She second artist to appear will be William Schatzkammer a brilliant pianist who recently appeared with the Cleveland Symphony Orchestra. He has made many R. C. A. Victor records. The date for this program is November 20th.

For six dollars and ten cents — tickets one adult to hear all these concerts. A junior season ticket can be bought for three dollars and five cents. Tickets must be purchased before the series begins in October. For information concerning the tickets call Mrs. J. C. Carlton.

Auto Hits Girl Who Escapes Serious Injury

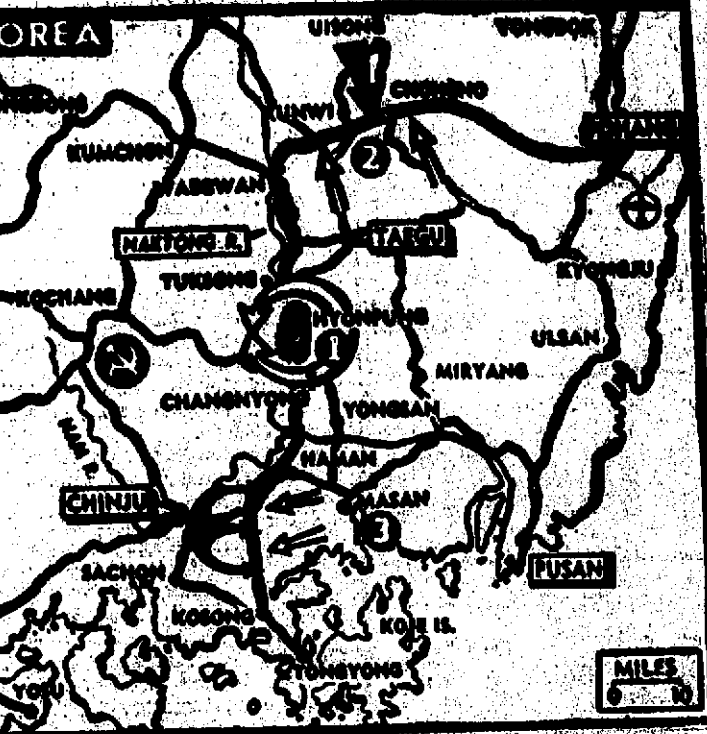

An automobile driven by Joe Hamilton of Emmet struck down a 6-year-old girl on east Third Street yesterday afternoon but she escaped serious injury.

The girl, daughter of Mr. and Mrs. John Flowers, was rushed to a local hospital but was released shortly afterwards.

Investigating officers said the younger ran out into the street in front of the oncoming car which luckily was traveling slow and was able to stop before running over her.

Businessmen to Pay Visit to New Auction Barns

Businessmen of Hope will pay a visit to the new home of Sutton Livestock Commission tomorrow in an "appreciation" call. All local residents planning to visit the new barns, west of Highway 67, are asked to meet at 10:15 a. m. on South Elm Street and go out in a group.

REDS IN NAKTONG TRAP — The U. S. 2nd Division encircled and trapped 1,500 to 2,000 enemy troops near Myongpung (1), last Red bridgehead across the Nakdong River. On the 70-mile-long northern front (2), UN forces blunted Red thrusts and gained up to one mile in counter-attacks along the line. Before Masan (3), troops of the U. S. 25th Division beat off a three-pronged Red attack. U. S. doughboys on bloody Sobukan Mountain, 15 miles west of Masan, mannaed to "hang on by their toenails" against week-long Red assaults on the vital heights. (NEA Newsmag)

Mrs. Arkansas Will Be Named in Contest Here Tuesday Night in Fair Park Coliseum

Mrs. Arkansas contestants will be featured in a downtown parade to-morrow afternoon at 2 p. m. The round up club will also be in the parade. All participants in the parade are asked to meet on Candy Street at 1:30 p. m.

Advance tickets will be on sale this afternoon and all day Tuesday at the Roy Anderson Insurance Co. Those desiring to avoid the usual last minute rush for tickets may purchase their tickets at the Roy Anderson Insurance office.

The program for the Mrs. Arkansas contest follows:

Overture: M. O. Enger & Orchestra.

Welcome addresses and introduction of dignitaries; Major Lyle Brown.

Introduction of contestants in order of appearance: George T. Frazier, M. C.

1. Mrs. John Downey Jones, Jr., Crossett.

2. Mrs. Virgie Megears, Russellville.

3. Mrs. Edwin Powell, Hope.

4. Mrs. Andy Johnson, Jr., Nashville.

5. Mrs. P. J. Holt, Hope.

6. Mrs. Ellsworth Berk, Magnolia.

8. Mrs. Jack Bell, Hope.

9. Mrs. Manuel Hamn, Hope.

10. Mrs. Lois Childers, Delight.

Homemaking section Mrs. Arkansas finals.

Intermission. . . Orchestral accompaniment M. O. Enger Orchestra Song and Dance Specialty. Brenda Dillard, acc. by Charlotte Hobbs Medley and Vocals . . . M. O. Enger Orchestra.

Bathing Beauty section Mrs. Arkansas finals.

Band Should Have Big Year Says Director

With prospects considerably brighter than in several recent years, the bands in Hope public schools are looking forward to what should be a banner year.

Losses by graduation in the high school band were comparatively small last May and will be much more than offset this fall by a splendid young group coming up from junior high. The new building to house the high school band is rapidly nearing completion and school authorities hope to have it ready for occupancy by the time school starts.

The first regular rehearsal for the high school band will be held tonight at 7 at the old band room, it was announced today by G. T. Cannon, director. Rehearsals will continue, probably on a two-day basis, from now until the opening of school in preparation for the football season.

The opening of work for the junior high band is set for Monday, Sept. 4, at Oglesby Junior High School, while the grade school band classes will start one week later.

Mr. Cannon returned last week from Monticello where he attended the 14th annual session of the Dixie Music Camp as instructor and member of the Camp board of directors.

At their regular annual meeting the board elected Mr. Cannon president of the camp for the coming year to replace Clint Walker of Memphis, Tennessee, retiring. In addition, he is now serving as Chairman of the Southwest Arkansas District, State Band & Orchestra Association, having been elected to that position at the close of this school last spring. Earlier this summer Mr. Cannon received his Masters degree in Music Education from the Vander Cook School of Music in Chicago.

All high school band members are expected to attend the first rehearsal tonight which will close in time to allow any who want to attend the Hope-Waldo baseball game to do so. Further plans and announcements will be made at the rehearsal. Time, 7 p. m.

Revokes Bonds of Convicted Communists

New York, Aug. 28 (P) — The U. S. Court of Appeals today revoked the bail of the 11 convicted Communist leaders and gave them 30 days to try to stay their jail terms.

The order was in a two-to-one decision by the three-judge court.

U. S. Attorney Irving H. Saypol said the ruling in effect gave the Red leaders a 30-day stay of their prison terms.

During the time, he said, the convicted men may apply to the U. S. Supreme court for a further stay of sentence pending determination of their case before it.

The court of Appeals at the same time, denied a petition by the Red leaders for a rehearing of their appeal.

Young Willis Is Not Doing So Good Is Report

Young William Willis, son of Mr. and Mrs. Moody Willis, who suffered the loss of a leg in an accident near Glenwood last week is "not doing so good" according to reports here today. He was transferred to a Texarkana hospital over the weekend.

Physicians fear gangrene and a lung is giving him considerable trouble it was learned.

Allied Counter Regains Some Lost Ground

Tokyo, Tuesday, Aug. 28 — The Korean Reds during the right wing of the Allied offensive on Korea's east coast, then lost some ground to a South Korean counter-attack. But they were maintaining pressure on the Pusan front Monday night.

In a dispatch from Seoul Monday, from the Far East correspondent, Tami Tambo, after having lost 400 to 500 men in a ground-mileage battle, the South Koreans edged back toward late Monday in an effort to lift the assault during the night.

They had American air and naval gunfire support. Lambert said the South Koreans had reached the southern end of a broad valley leading to Kigye, 10 miles northwest of the Pusan front, but the Reds still hang, but the Reds still Kigye and were reported to have new aggressive moves after Monday.

U. S. pilots said they had seen the northern front — east and from the Nakdong River — east coast was still a stalemate.

The most severe fighting before Pohan, on the far Japan coast, was reported north of Pusan, near the town of Dismal, where Red infiltrators were behind South Korean lines near Taegu.

The Reds were reported to have taken Pohan, 60 miles north of Pusan, and to have captured a U. S. destroyer, destroyers, and a U. S. transport. But the North Koreans in the south of the Pusan front were reported to have been repulsed.

The Reds won Pohan, a town in the Korean peninsula, in the month of a surprise attack. They lost it a few days later in a counter-attack by Allied troops. United Nations troops drove nine miles north from where they sprang back to the offensive that has carried them to the gates of the No. 2 east coast in South Korea.

Correspondent Doyle said U. S. infantry, powered by tanks, moved into the South Korean trying to hold Pohan, a town in the Korean peninsula, in the month of a surprise attack. They lost it a few days later in a counter-attack by Allied troops. United Nations troops drove nine miles north from where they sprang back to the offensive that has carried them to the gates of the No. 2 east coast in South Korea.

Anti-Inflation

Continued From Page One
 controls at this time. Later, he said he would welcome the power on a stand-by basis if congress did not tie too many restrictions to use of it.
 Maybank, chief of the senate conferees, said today he believes there can be some compromise of the senate and house versions which would keep authority for wage-price curbs and rationing in the bill.
 Rep. Wolcott (Mich), senior Republican among the house conferees, also expressed confidence that a compromise will be worked out.
 "I would favor knocking out the wage price and rationing features only if we get hopelessly stalemate," Wolcott declared.

Truman Orders

Continued From Page One
 General MacArthur on this subject be withdrawn.
 Asked whether MacArthur might

be relieved of his command as a result of the incident, Ross said, "The incident is closed."
 Simultaneously with the announcement of Mr. Truman's action, the White House released a letter from the President to Warren Austin, U. S. representative in the United Nations. This restated the United States position with reference to Formosa so that there will be "no misunderstanding."
 Mr. Truman's stated policy is that Formosa must be neutralized so far as the Korean war is concerned, but this country will make no commitment other than to block any invasion attempt during the current crisis.
 The White House did not elaborate on the letter Mr. Truman sent to Austin but a White House authority told reporters:
 "In the field of foreign relations there can be only one voice in stating the position of the United States. This is regarded as being of fundamental constitutional importance."
 Ross was informed that a number of newspapers were reprinting MacArthur's message despite its withdrawal.
 Ross would not say what he thinks other papers should do. "Every editor will have to be guided by his own judgment," he said.
 Washington, Aug. 28 (AP)—General Douglas MacArthur has withdrawn under orders from President Truman a statement he planned to make today on Formosa.
 Without indicating that he had changed his views, which are known to conflict with those of the administration, the commander of United Nations forces in Korea cancelled a message he had sent to a Veterans of Foreign Wars encampment in Chicago.
 He told the VFW he did so regretfully.
 The incident appeared certain to bring wide repercussions, involving as it does the top United States official in the Orient where prestige—or "face"—is so important.
 In Tokyo, MacArthur replied through a spokesman that he had "no comment" when asked to expand on the circumstances surrounding withdrawal of his statement.
 It had been made available last

week to VFW Officials in Chicago. They in turn distributed it to newspapers and wire services for use this morning, when it was scheduled to be read at the encampment.
 However, Clyde A. Lewis, VFW commander, cancelled plans for its reading and asked through an aide that it not be published after MacArthur cabled last night:
 "I regret to inform you that I have been directed to withdraw my message to the national encampment of the Veterans of Foreign Wars."

Mrs. Laura Norris, 1325 A South 6th St., St. Louis, Mo., says doing the family washing and housework is no longer a chore. She says she can do her work in a breeze now. She thanks wonderful HADACOL for her feeling of well being. She had deficiencies of Vitamins B1, B2, Niacin, and Iron, which HADACOL contains.
 Here is Mrs. Norris' exact statement: "It was such a long time since I was feeling 'OK'. I had been very nervous and my nerves were so bad it affected my stomach—seems like it was tied in a knot all the time. Couldn't sleep either—just roll and toss all night. I couldn't hardly do my housework—and I was always cross and irritable. One day I heard about how other folks were being helped by HADACOL. I tried HADACOL and after the 2nd bottle I began to feel better. Now my nerves are steady as can be—no more ill effects on my stomach—I sleep like a top—in fact, I feel wonderful, thanks to marvelous HADACOL."
 "Yes, HADACOL is marvelous in the way it has helped thousands of folks whose systems were deficient in Vitamins B1, B2, Iron, and Niacin. HADACOL can help you, too, if you have such deficiencies if you will just give HADACOL a chance. If you are suffering from nervousness, insomnia, or a general run-down condition, caused by such deficiencies, let HADACOL help you as it has helped others all over the country."
 Many Doctors Recommend HADACOL
 HADACOL is that wonderful new product recommended by many doctors. It is not a quick-acting product which gives only symptomatic relief—HADACOL is so successful because it relieves the real cause of stomach disturbances and a general run-down nervous condition when caused by deficiencies of Vitamins B1, B2, Iron, and Niacin. So if you're troubled this way, don't keep on putting off relieving the real cause of your trouble. Remarkable improvements are often noticed within a short time.
 Get That Wonderful HADACOL Feeling
 The great advantage in taking HADACOL is that continued use of this great product helps prevent such stomach misery and nervousness from coming back to torture you. Know what it means to enjoy that wonderful, wonderful HADACOL feeling!
 You'll have to admit anyone suffering such deficiencies is very foolish and deserves no sympathy if he or she continues to suffer such sleeplessness, nervousness and stomach disorder when relief may be near at hand at any drugstore. Go right now to, or telephone, your nearest druggist for HADACOL. Start taking it today. Trial-size bottle costs only \$1.25. Large family or hospital size, \$3.50. Refuse substitutes. There is only the one true and genuine HADACOL which everyone is talking about.

Single Game Separates Yanks, Tigers

By JOE REICHLER
 Associated Press Sports Writer
 Credit Boston's bounce-back into flag territory to the re-discovery of a long lost "secret weapon" — coming from behind.

Overcoming enemy leads—something that was lost at the Red Sox earlier this year — plus a two week stay at friendly Fenway park have combined to rekindle the pennant spark in the hearts of loyal Boston rooters.

Currently the hottest club in baseball, the Red Sox have been catching up with the league leaders at a furious pace. Twelve victories in the last 13 games seemingly insurmountable eight-game deficit in half.

The Red Sox picked up a half-game on the league leaders yesterday when they overcame a 7-0 Cleveland lead to defeat the Indians, 11-9, while the Philadelphia Athletics were holding the Tigers even in two games. The A's won the opener, 4-3, and Detroit won the second 8-1.

The Sox' triumph helped the New York Yankees gain undisputed possession of second place. The defending champions eked out a 2-1 victory in 10 innings over the Chicago White Sox to cut De-

louis first place margin to the game, Cleveland trails by two. The Indians appeared to have the game safely stowed away when 12 men came to bat in the third against starter Willard Nixon and Jim McDonald and seven of them scored. The Red Sox, however, refused to be counted out. They came storming back with five runs in their own half of the third to blast Bob Feller off the hill and six more in the seventh.

Tommy Henrich hit a pinch single with one out and the bases loaded in the 10th inning to win for the Yankees. Allie Reynolds yielded two hits for the victors to register his 12th victory. Bob Cain was the loser.

Sam Chapman's 22nd home run with a mate board in the eighth inning spoiled young Ray Herbert's major league debut as the A's came from behind to defeat the Tigers in the first game. Art Houtteman notched his 17th triumph in the second.

Washington and St. Louis split a doubleheader. After Joe Haynes had pitched the Nats to an 8-0 first game win in the opener, The Browns won the second game 11-10.

Philadelphia's Phillies increased their national league lead to five games over Brooklyn, defeating the Chicago Cubs, 6-1, while the St. Louis Cardinals were battering the Dodgers, 13-3.

The Cubs battled the Phils to an 11-inning 4-4 tie in the second game of their doubleheader that was halted by darkness. The two teams were to play two games today.

New York's Giants and Cincinnati's Reds divided two games. The Giants won the opener, 11-6 and Don Mueller cracked out five hits. The Reds, behind the four-

By The Associated Press

Today A Year Ago — The United States retained the Davis Cup by defeating Australia's tennis players, 4-1.

Five Years Ago — Luke Appling of the Chicago White Sox, 1943 American league batting champion, hit his army discharge.

Ten Years Ago — Defending champion Henry Picard, Walter Hagen, Gene Sarazen and Sam Snead gained the third round of the PGA golf tournament.

Fifteen Years Ago — Pepper Martin hit two home runs for the St. Louis Cardinals as they won a doubleheader from Philadelphia.

VICTIMS NEIGHBOR QUIZZED
 McGhee, Aug. 28 (AP)—Marvin Hartwick, about 36 of near the Kalamazoo community is being held for questioning in the shotgun slaying of a neighbor, John William Parker, 19, last Friday night.

No charges had been filed. Sheriff Robert Moore said the two men's families had been feuding for about ten days prior to Parker's death.

hit pitching of Howie Fox, won the second game, 3-1. The Giants won the opener, 11-6 and Don Mueller cracked out five hits. The Reds, behind the four-

top four in any other conference... That helps to alleviate the paid in this author's ivydraped neck, but Herman, the sissy, doesn't go far enough... Hickman follows the fashion of low-rating Eastern football by saying the ivy brand has improved greatly since 1946 and before that it would have been "suicidal" to play those ballyhooed bit teams from the south or Big Ten... It's our contention that the good Ivy teams such as Cornell, Princeton and Dartmouth figure to be this fall, are as good as anybody for a game or two... They just don't have the depth of good manpower to withstand the kind of schedules that produce national champions and since the 1890's no member of this group has stayed on top long enough to establish itself as a "football school," Hickman also says: "I would have to rate Cornell as one of the top five teams in the nation... Okay boys, prove he's wrong — but we won't accept loud horselaugh as proof.

Monday Matinee
 Bill Dudley, who has worn No. 35 on his jersey throughout his college and pro football career, ran into a complication when he was traded to the Washington Redskins... Seems that number had been "retired" after years of distinguished service on Wilbur Moore's back... But Wilbur, now an assistant Redskins coach, said: "Of course he's wearing 35; he's always worn it and he'll do the same here." Al Frazin, the voice of the P. A. system at Yankee stadium, has been recalled to active duty with the army... Gussy Moran confesses that she's a Ted Williams fan and always reads the papers to see what Ted did although she has no other interest in baseball... The contract for the Day-Chattanooga football game this fall stipulates that the Dayton Flyers marching band must appear in Chattanooga and provides a financial guarantee... Seems the band made as big an impression as the team in 1948.

Success story
 Among the numerous requests that a college press agent receives from kids during the football season, was one which really impressed Tubthumper Les Elter of Michigan. A ten year old from New York wrote for something and enclosed 15 cents for postage... And wrapped around the dime and nickel was a cancelled check for a pair of 1949 Michigan-Army tickets... That lad should have a great career as a diplomat.

French Leave
 Looking apprehensively toward Korea with a recollection of the manpower shortages in baseball during World War II, Harold Root, the Dodgers' drummer, tells this one... Seems Fresno Thompson was managing New Orleans and experienced such a shortage that he sent a hurry-up wire to Branch Rickey for help... Rickey scraped the bottom to find a French-Canadian rookie some where in the deep bushes and sent

Waldo, Hope Meet Tonight at Fair Park

Hope journeyed down to Waldo yesterday for the first game of a play series but a downpour in the first inning broke up the contest. The Legionnaires scored a run, a man was on second and nobody out when the rain gusted down.

Tonight the two teams meet at Legion field starting at 8 o'clock. The winner of the series will go into the finals against the winner of the Murfreesboro-Camden series.

NOTICE
 Notice is hereby given that the Arkansas Public Service Commission is entering upon an investigation of the lawfulness of schedules of increased rates filed by Southwestern Bell Telephone Company on August 21, 1950, and has set hearing dates as set out below, to be heard in its offices in the State Capitol in Little Rock, Arkansas, beginning September 3, 1950, at 9:30 a. m. Starting on September 5, at 9:30 a. m., and continuing for such time as may be necessary, the direct testimony of the said Southwestern Bell Telephone Company in support of the lawfulness of said rates, together with the introduction of its exhibits in support thereof, will be presented, and the cross-examination will be limited to questions for clarification of exhibits and direct testimony. Starting on October 3, 1950, at 9:30 a. m., and continuing for such time as may be necessary, Company witnesses which may be called by the Commission or any interested party will be cross-examined, and testimony of witnesses in opposition to the Company's position will be heard. Cross-examination of witnesses in opposition to the Company's position may be had during the week of October 3, 1950, or during the week starting October 16, 1950, at 9:30 a. m. Final hearings shall begin October 16, 1950, at 9:30 a. m., with such cross-examination of witnesses in opposition to the Company's position as may be necessary, in addition to rebuttal testimony in behalf of the Company or parties in opposition to the Company's position. Any person, corporation or association authorized to complain to the Commission may intervene and be heard as an original party at the times and places specified in this notice.

Legal Notice
 NOTICE OF ANNUAL SCHOOL ELECTION, IN WASHINGTON SCHOOL DISTRICT NO. 12 OF HEMPSTEAD COUNTY, ARKANSAS
 Notice is hereby given that the annual school election in the above named District will be held on September 26, 1950, for the following purposes:

The election of a member of the County Board of Education for a term of 5 years.
 The election of one director for a term of 5 years.
 To submit the question of voting a total school tax of 26 mills as set out in the District's budget, which shall include, in addition to the millage for the operation and maintenance of the schools and for the payment of the principal and interest of outstanding bond issues, a continuing building fund millage tax of 10 mills to be voted for the purpose of paying the principal and interest of a proposed bond issue of \$32,500.00, to be issued for the purpose of refunding outstanding bonded indebtedness and to erect and equip new school buildings and to repair and improve present school buildings. Said bond issue will run for approximately 20 years.

Any surplus revenue from the building fund millage, after the payment of principal and interest of the bonds maturing that year and providing for the next six months' interest on all outstanding bonds, may be used by the District for any other school purpose.

The polls will open at 8:00 o'clock A. M. and will close at 6:30 o'clock P. M. on September 26, 1950, at the following polling places in the District-to-wit: Old Court House Building in Washington, Arkansas. GIVEN this 11th day of August, 1950.

Hurricane Hovers Off Florida

New Orleans, Aug. 28 (AP)—A gulf storm located about 450 miles south of Pensacola, Fla., increased to hurricane force during the night.

In its 9:30 a. m. (CST) advisory, the New Orleans weather bureau said winds of 75 to 85 miles an hour extend out about 70 miles on the north and northeast sides of

Tuesday at 12:15 noon for lunch at the Lawson Hotel.

the hurricane. Gales extend outward about 125 miles northwest.

The hurricane was moving west or west northwest about ten miles an hour. This was determined by aircraft reconnaissance, the advisory said.

The weather bureau advised small craft from northwest Florida to the east Louisianan coast not to venture into the open gulf.

Storm warnings were ordered lowered on the lower Florida keys.

AT PENNEY'S

NOTICE OF SPECIAL ELECTION

Notice is hereby given that a special election will be held in the City of Hope on August 31, 1950, the same being a referendum election to determine whether or not the people approve or disapprove Ordinance No. 653, passed by the City Council on June 6, 1950. Ordinance No. 653 is an ordinance to authorize the installation of parking meters on public streets and in public areas in the City of Hope; to authorize the City Council to provide for the purchase and installation of parking meters; and determine the locations thereof; to authorize the City Council to fix and provide for the collection of reasonable rates, fees or charges for use of parking spaces equipped with parking meters, to regulate the period of time such parking space may be used at such rates, and to provide penalties for violations of regulations made by the Council for control of such parking spaces.

The voting places are as follows:

Ward One Fire Station
Ward Two Courthouse
Ward Three City Hall
Ward Four City Hall
Absentee Box
County Clerk's Office

LYLE BROWN, Mayor

Why is it necessary to increase rates when the telephone system is expanding so rapidly?

You have a lot of new customers...
why do you have to raise rates?

The telephone installer says...

Sounds strange at first, but the more new customers we connect to the company's lines here in Arkansas, the less we earn on every dollar invested in Arkansas.

The expenses of giving good service have gone up a lot since prewar days—more than \$10½ million a year.

But our big problem is the increased cost of adding new telephones and all the poles, wire, switching equipment, and other facilities it takes to serve them.

Just three years ago, when we applied for the rates you now pay, the equipment back of each telephone cost, on the average, \$223.

Last year it cost \$412 in added plant for every new telephone.

Every time we add a customer at

present day costs, our return on each dollar invested goes down. And we have no alternative but to keep on expanding as long as more people want telephones.

We earned less than two cents on each dollar invested in Arkansas last year—and that figure is still going down as we spend more dollars for new plant as the number of new customers goes up.

That's why it is so extremely important that rates be increased before we can turn on the green light and go ahead with the \$38 million Greater Arkansas Telephone Program. Many millions of people's savings will need to be invested in telephone securities. And people won't put up the money unless they see prospects for reasonable earnings. Would you?

A GREATER ARKANSAS NEEDS A GREATER ARKANSAS TELEPHONE PROGRAM
